Career Objective

Aspiring Data Analyst with expertise in Python, Power BI, and MySQL. Skilled in analyzing complex datasets, performing data cleaning, and creating insightful visualizations to support strategic decision-making. Eager to contribute technical knowledge to drive business growth.

Education

- Master of Computer Applications (MCA) | LNCT University, Bhopal | 2023 – Present
 - Bachelor of Arts (BA) | Bundelkhand University, Jhansi | 2020 – 2023
 - Senior Secondary (12th) | Government Inter College, Jhansi, UP | 2019 – 2020
 - Higher Secondary (10th) | Saraswati Gyan Mandir, Jhansi, UP | 2017 – 2018
-

Technical Skills

- Languages: Python, C/C++
 - Tools: Power BI, Tableau, Advanced Excel
 - Databases: MySQL, PostgreSQL
 - Libraries: Pandas, NumPy, Matplotlib, Seaborn
 - Skills: Data Cleaning, Data Visualization, Dashboard Creation
-

Professional Experience

Data Analyst Intern | **Blue Planet Info Solution India Pvt Ltd, Pune** | Aug 2024 – Present

- Analyzed user engagement data for the Handshake (USA) platform, identifying patterns among 4,000+ student profiles.
- Utilized Python and Pandas for data preprocessing and generated insights with Matplotlib visualizations.
- Collaborated with cross-functional teams to optimize workflows, increasing client satisfaction scores.

AICTE Portal Intern | India-Based Project | May 2024 – June 2024

- Managed data for skill development opportunities, ensuring accuracy across datasets.
 - Automated data updates using Python scripts, saving 10+ hours weekly for reporting.
-

Projects

- Internship Dataset Analysis [GitHub](#)
Conducted analysis of 2,000+ intern profiles, identifying trends in qualifications and preferences, which improved internship allocation efficiency by 20%. Visualized results using Power BI dashboards.
 - Hiring Trends Dashboard [Power BI](#)
Built a Python-based solution to analyze recruitment data, creating Power BI reports to track hiring patterns and reduce recruitment costs by 12%.
-

Certifications

- Python Data Analysis – Dev Town (May 2024)
 - Data Analytics – Industries Helping Hands (May 2024 – Jun 2024)
 - Microsoft Power BI Projects – Infosys (June 2024)
 - Data Visualization Job Simulation – Accenture (June 2024)
 - Power Excel Training – Infosys (June 2024)
-
